

ULTRA SOFT AIR CUSHION PUFF

Rubycell material:

Smooth and ultra soft texture is perfect for setting powder. Specifically designed for liquid foundation, which has excellent absorption capabilities, allowing you to utilize less product while achieving maximum coverage.

Excellent elasticity foam:

Ensures a comfortable and luxurious makeup application experience.

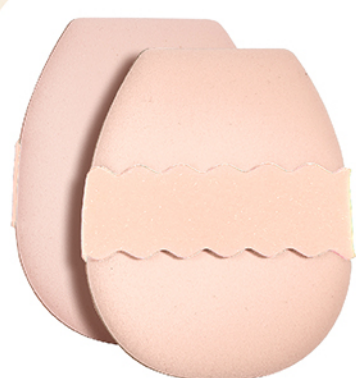

Ultra-soft and durable PU:

Offers ultra soft and longer lifespan compared to other makeup sponges. Available for printed and embossed design.

OFFERS DIVERSE SHAPES FOR VARIED MAKEUP PREFERENCES
