

ULTIMATE NAIL TREATMENT

#Squalane-Enhanced Nail Glue

SKU.NO.: 101410012
Material: HDPE
Capacity: 2g/3g/5g

A large, artistic graphic for the nail glue. It features a close-up of a clear glass dropper dispensing a drop of the glue, which is surrounded by many small, shimmering droplets. The background is a warm, golden-yellow color. In the top right corner, there is a red circular badge with the text 'New Formula' and a small red planet icon. The main title 'Nail Glue with Added Squalane' is centered in a large, bold, black font. Below the title, there are three circular icons: a crossed-out 'X' in a circle, a molecular structure diagram, and a leaf icon. Each icon is accompanied by a descriptive text block.

SKU.NO.: 101270437
Material: Glass + PP
Capacity: 10ml

How To Use

Wash your hands and wait for them to dry completely.

Use a wooden stick or a cuticle pusher to push them back

Gently shake the cuticle oil.

Apply a little oil on your cuticles and the skin around your nail bed.

Massage for 30-60s so the oil will be fully absorbed.

We recommend to apply it once a day. If your cuticles are damaged, it is better to apply it two or three times a day.
