Feminine Pad

ABSORBENT LAYER RETAINING THE LIQUID

Thanks to super absorbent granules inside, it absorbs and gelatinizes the liquid. Thus, you feel at ease all day long.

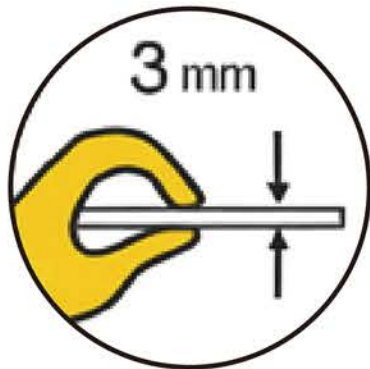

PATTERN PRESERVING THE SHAPE OF THE PAD

The soft and hydrophilic cotton top layer that reduces skin irritation and feels comfortable.

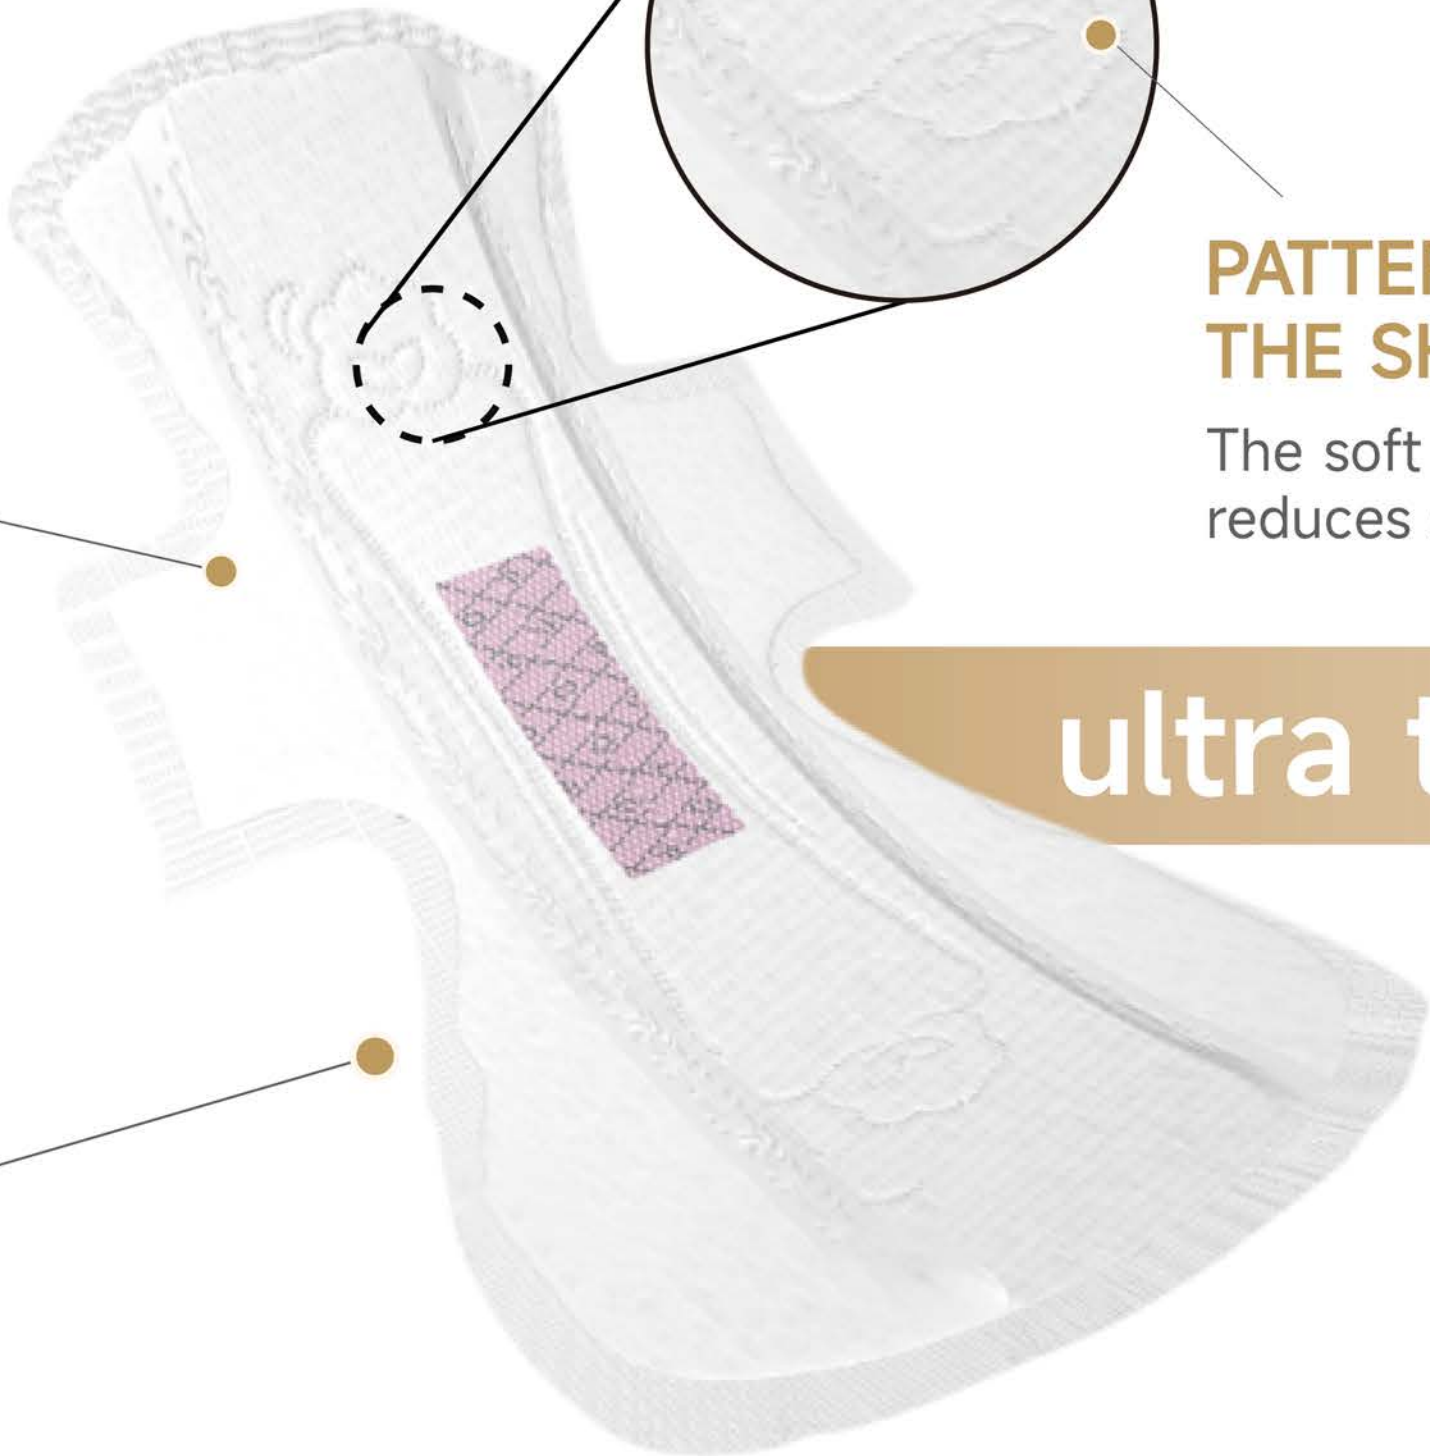

BREATHABLE TEXTURE

The micropores in its structure prevent the moisture formation by providing air circulation, and thus, your skin breathes.

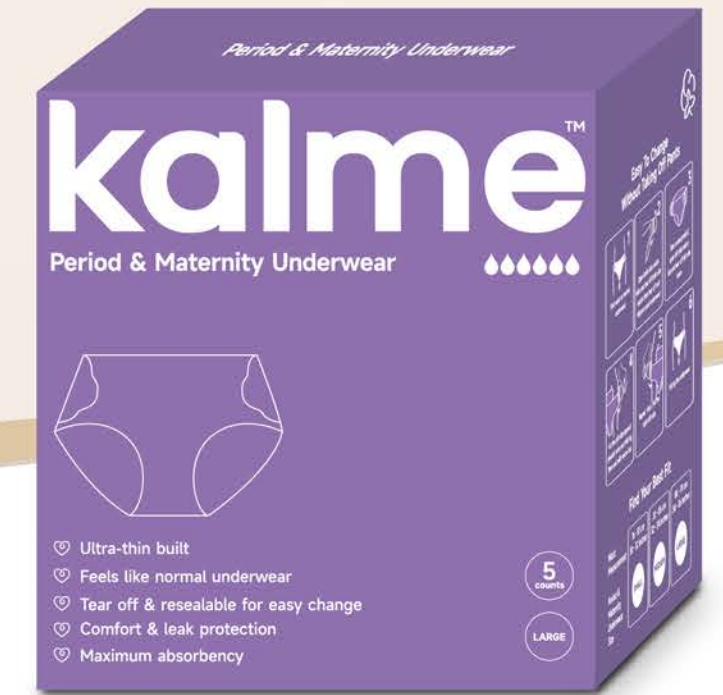

ultra thin core

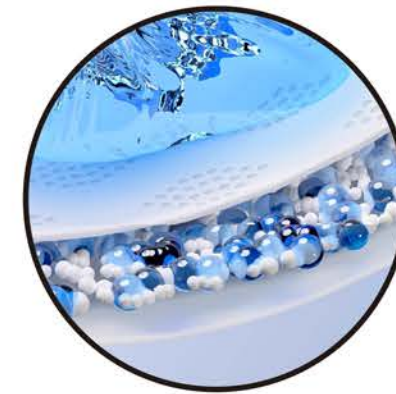

Period & Maternity Underwear

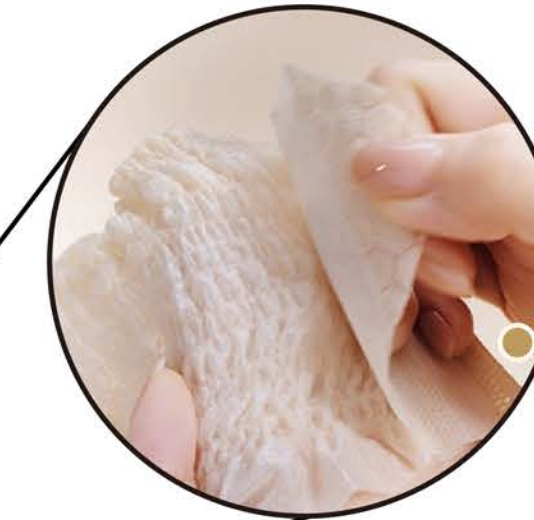

ABSORBENT LAYER RETAINING THE LIQUID

Thanks to super absorbent granules inside, it absorbs and gelatinizes the liquid. Thus, you feel at ease all day long.

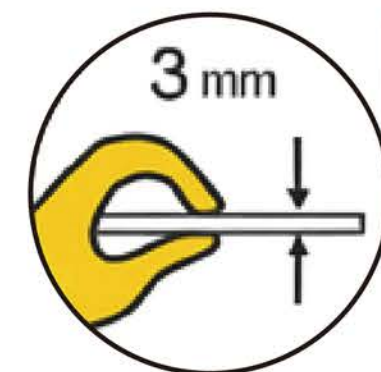

TEAR OFF & RESEALABLE FOR EASY CHANGE

Simple tear-and-pull design for replacement, no need to take off pants.

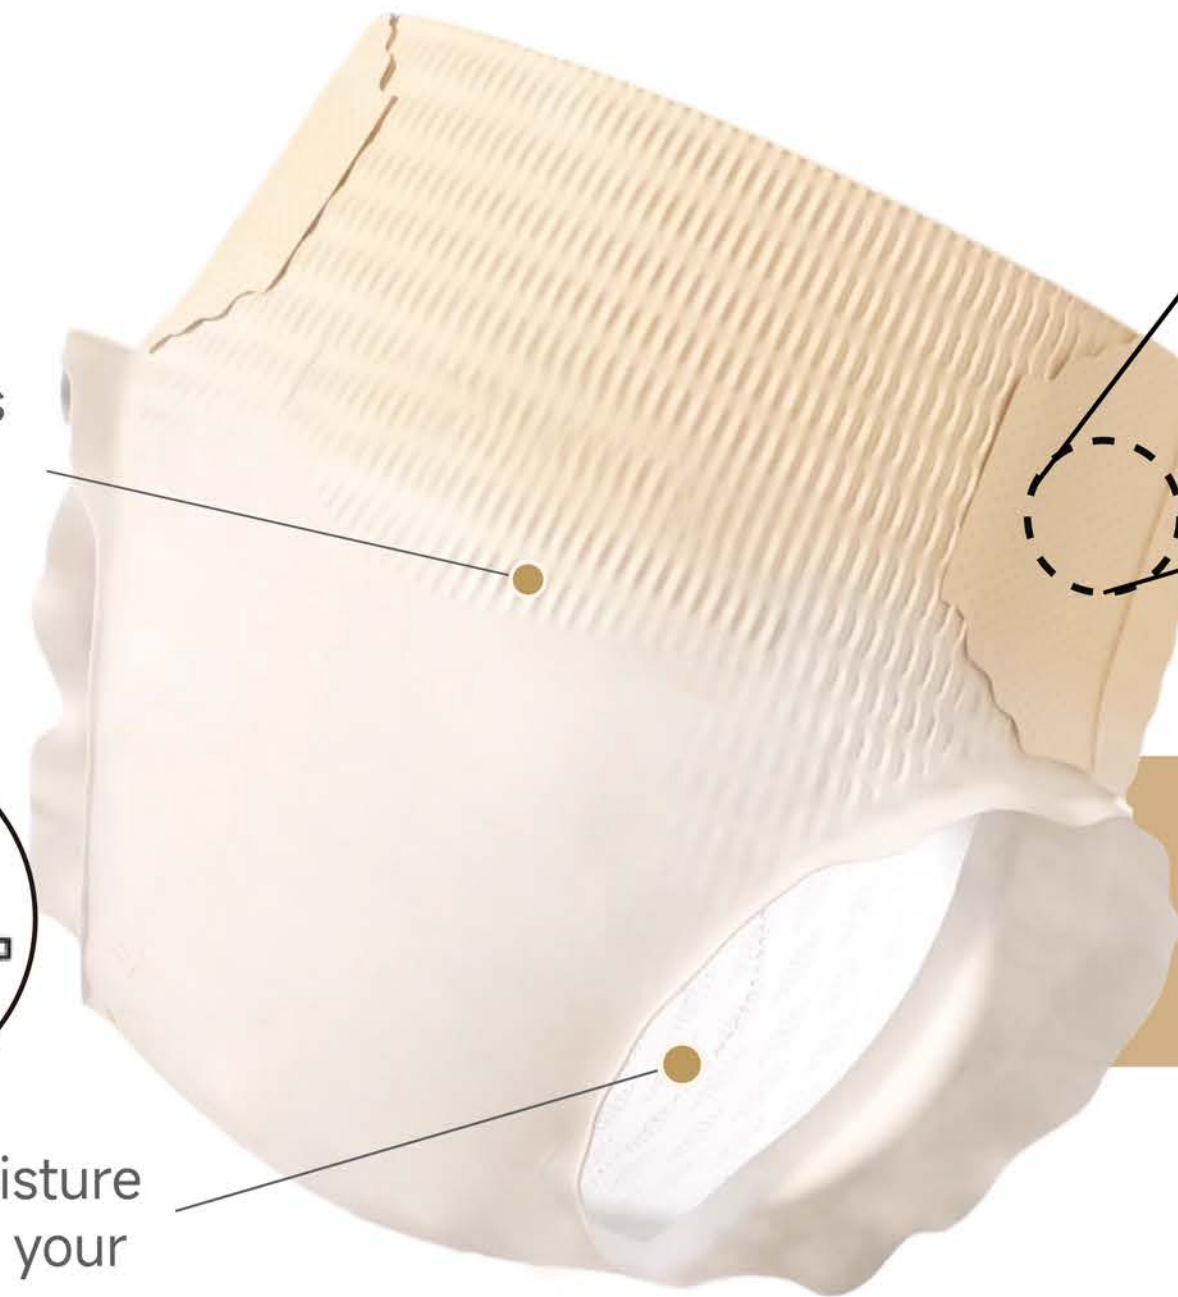

ULTRA-THIN BUILT

The micropores in its structure prevent the moisture formation by providing air circulation, and thus, your skin breathes.
