

# FORM MEETS FLAWLESS BLEND EVERY CURVE

**26<sup>+</sup> YEARS**

One Stop Beauty Accessory Supply

# # Flex Fit Applicator

01

## Broad Side

Wide surface quickly applies foundation to the forehead, cheeks, and chin for fast, even coverage.

02

## Precision Tip

Pointed edge reaches around the nose, eyes, and mouth for detailed application without caking.

## Adaptive Multi-Surface

Blends both fine and broad zones, all with one sponge.

SKU.NO: 202210648  
Material: pu  
Size: 25\*30\*60mm

# # Palm Fit Sponge

01

## Pointed Tip

Perfect for smaller areas such as under the eyes, around the nose and lips.

02

## Flat Edge

Perfect for larger areas of the face such as forehead or cheeks.

03

## Ergonomic Beauty

Plump heart shape fits naturally in the palm; enhances comfort, control, and stability for flawless application

SKU.NO: 202210651  
Material: pu  
Size: 40\*58mm

# # Quad Precision Puff

01

## One Puff, Less Time

Multi-angled sides fit both detailed corners and broad areas, speeding up makeup routines

SKU.NO: 202210647  
Material: pu  
Size: 64\*40mm

02

## Innovative

Unique knob and four flat sides for easy, precise blending.

03

Blend makeup for a finished look

SKU.NO: 202210656  
Material: pu  
Size: 40\*38mm

# # Dual Curve Sponge

## Smart Grain Shape

Large rounded surface blends effortlessly, while the tapered end targets details, combining speed and finesse.

01

## Pointed Tip

Pointed tip hides imperfections with pinpoint coverage

02

## Elliptical Side

Elliptical side makes cheek application quick and even

SKU.NO: 202210649  
Material: pu  
Size: 36\*26\*62mm

# # Contour Wave Puff

01

## Smart S-Shape

Ergonomic curve hugs the contours of the face for streak-free, even, and efficient makeup application—no angle missed.

SKU.NO: 202210650

Material: pu

Size: 35\*33\*73mm

02

## Instant Coverage

Seamless patting delivers smooth, even foundation and flawless concealing all in one step

## Universal Fit

Designed for effortless blending across all facial zones, perfectly adapting to cheeks, jawlines, and hard-to-reach areas

03

# # Multi Edge Applicator

SKU.NO: 202210653  
Material: pu  
Size: 32\*35\*65mm

## Multi-Faceted Freedom

Multi-faceted design keeps each shade separate—no mixing, no mess.

### 01

#### Large Edge

Apply foundation to the face with abouncing motion

### 02

#### Flat Edge

Ideal for blurring and softening the lower lash line and brow bone for a seamless finish.

### 03

#### Small Edge

Perfect for precise contouring around the eyes, nose, and cheekbones, enhancing and defining facial features with ease.

# # Pyramid Precision Sponge

SKU.NO: 202210652  
Material: pu  
Size: 30\*63mm/35\*63mm

01

## All-in-One Shape

Wide base covers cheeks and forehead in seconds; pointed tip perfects corners, spots, and delicate features for expert detail.

02

## Dual Action, Double Results

Swiftly delivers seamless, even foundation, then refines with pinpoint accuracy—no need to switch tools.

03

## Next-Level Control

Ergonomic pyramid form grants steady grip and effortless access to every part of your face, for high efficiency and flawless results.

# # Cloudy Touch Blender

SKU.NO: 202210646  
Material: Next-Gen Memory Foam  
Size: 40\*60mm

## New Materials

Ultra soft, slow-rebound technology ensures cushiony comfort and ultra-even powder release—no cakey patches, no streaks.

01

### Ultra-soft

Provides a silky, smooth feel on the skin.

02

### Oil-Blotting Sponge

Our sponge offers full coverage that leaves a natural, matte finish on the skin

03

### "Absorb & release" tech

Prevents overloading—natural, flawless coverage every press.
