All-in-One Makeup Brush

Snap Shape **5-in-1** Magnetic Brush Set

1+N Magnetic Swap System

Snap different mini heads on and off the magnetic handle to cover foundation, contour, highlight, and eyes with one smart brush.

All-in-One, Travel-Ready Wand

Fluffy top for fast base, detachable mini bar for detail work—one brush does a full face and keeps your makeup bag tidy.

Double-Ended Detail Control

Each mini bar is double-ended, so just flip to switch from soft blending to precise lining around eyes and nose.

Mag Tower Brush Set

All-in-One Portability

All heads dock into the main brush to form a single slim tool that keeps your makeup bag neat and clutter-free.

Compact & Travel-Ready

Lightweight, space-saving design—take one 5-in-1 brush instead of a full set for daily carry and trips.

1+N Magnetic Combo

Built-in magnets lock in four mini heads, so one wand switches from powder to blush, contour, and eyes in seconds.

Slide & Magnetic Brush Set

1+N Magnetic Combo

Built-in magnets let mini heads snap in and out, so one brush handles powder, blush, contour, and eye details.

All-in-One Portability

Large head for fast base, slim minis for small areas—carry one wand instead of a full brush set.

Compact & Travel-Ready

All parts nest inside the handle, saving pouch space and preventing loose brushes in your bag.
