details**

Clearly labeled for effortless use

Two Functions, One Brush

DUO COMPLEXION BRUSH

Sculpting Cheeks with Precision

The smaller, denser head perfectly applies blush

Small Head Brush

Designed for flawless cream application:

The larger head picks up the Perfect amount of bronzer for Seamless blending

Two Functions, One Brush

PRECISION EYELINER BRUSH

Master Every Line, From Soft to Sharp

The angled tip delivers sharp, precise definition for a natural cat-eye, making it perfect for both gel and powder liners.

The Flat Head

The flat head creates bold, graphic lines for a dramatic look.

Two Functions, One Brush

Seamless Powder Blending

The larger fluffy head diffuses powder, bronzer, or finishing products evenly for a soft, airbrushed finish.

POWDER & BLENDING BRUSH

The Flat Head

Smooth Foundation Application

The smaller dense head buffs liquid or cream foundation with precision for a seamless, streak-free base.
